

Seasonal Job Opportunity

With: ODNR, Division of Wildlife

Position: Conservation Worker

Location: Fallsville Wildlife Area, New Vienna, OH (Wildlife District 5)

Duties (Wildlife Management): Primary responsibilities will be Bobwhite quail habitat management and data collection within the Fallsville Quail Heritage Area. Will also perform a variety of general support duties which will vary from day to day & by location based upon Division of Wildlife assignments on public use facilities (e.g., general maintenance, remove trash, maintain parking lots & access roads, mow & trim grass & shrubs around area buildings, wildlife food plot planting, vegetation control, trapping & banding doves & waterfowl, controlled hunt administration, wetland management & restoration projects, wildlife surveys, assisting with monitoring a rifle range, & preparation of Division display at the Ohio State Fair). Other maintenance & wildlife management duties may be assigned, as necessary.

Qualifications (Wildlife Management): Must have a Valid Ohio Driver's License; a degree or pursuing a degree in wildlife management or a closely related Natural Resources field is desired; experience &/or familiarity with the operation of farm machinery, shop & hand tools, mower & trimmer, tractors & chain saw; ability to interact with the public.

Work Hours: Generally 8:00 a.m. to 5:00 p.m., 40 hours per week - may vary depending on the needs and duties assigned. Some evening &/or weekend work may be required.

Pay: \$13.44/hour

Hours: Max. of 1,000 hours.

Time Period: March 2016 to Sept./Oct., 2016
