

Lower Cuyahoga River

Cuyahoga and Summit Counties

Steelhead Trout Fishing Map

Your purchase of fishing equipment and motor boat fuels supports sport fish restoration and boating access facilities.

© This map may not be reproduced for sale.

In Ohio, you can only gain access to streams flowing on public property. If you are on private property, including land that streams flow over, you must have landowner permission. Private landowners have the right to restrict stream access on their property.

Legend

- Steelhead Trout Fishing Locations
