Dear Instructor Candidate:

The Division of Wildlife would like to announce training opportunities in 2016 for those wishing to become certified to teach hunter education in Ohio. To become certified you must be at least 18 years of age, attend a volunteer instructor-training academy and pass a criminal background check. We are excited that you are considering joining the 1700 volunteers who train hunters to be safe and responsible. Dates, locations and a registration form are on the reverse side of this letter, and a background check form is included.

When we receive your registration and background check forms, a map and confirmation letter with detailed information on what to bring and starting times will be mailed to you at least 2 weeks prior to the start of the academy. We hope you will be able to attend one of the academies. If you have any questions feel free to call 1-800-WILDLIFE and ask for myself or Teresa Miller.

Sincerely,

A handwritten signature in black ink that reads "W. Matthew Ortman". The signature is written in a cursive style with a large, stylized "W" and "O".

W. Matthew Ortman
