

1. Protect your permits and game tags from the elements by placing them in a plastic bag or protective pouch before you hunt.
2. All hunters must complete a game tag immediately upon harvest and prior to moving the animal. The game tag must include the hunter's full name, date, time, and county of kill. Hunters need to make their own game tag from any material they choose, and write legibly with an ink pen or permanent marker.
3. Attach the game tag to the animal immediately upon harvest and prior to moving it.
4. Call **1-877-TAGITOH** (1-877-824-4864), go to our website at **wildohio.com**, or take the animal to a check station to complete the game check process.
